

AMERICAN VILLAGE SUBDIVISION I
RESERVE FUND INVESTMENT POLICY

Adopted _____, 20__

The following Reserve Fund Investment Policy has been adopted by American Village Subdivision I (“Association”) pursuant to C.R.S. 38-33.3-209.5, at a regular meeting of the Board of Directors.

Purpose: To protect and ensure the safety of the assets and capital improvements of the Association and those volunteers who participate in the investment process and to further provide guidance to those who offer investment services to the Association, including brokers/dealers, banks, consultants, savings institutions, and custodians.

The following investment policy addresses the methods, procedures and practices which must be exercised to ensure effective and judicious fiscal investment management of the Association’s reserve funds. This policy does not set forth: (1) the minimum reserve fund balance required of the Association; (2) any mandate for an annual reserve fund study; or (3) the tax consequences of the investment options contained herein.

NOW, THEREFORE, IT IS RESOLVED that the Association does hereby adopt the following policies and procedures for the investment of the Association’s reserve funds:

1. Investment Objectives

All funds which are held for capital expenditures as a part of the reserve fund shall be deposited and invested by the Association in accordance with Colorado Revised Statutes and resolutions enacted by the Association’s Board of Directors in a manner to accomplish the following objectives:

- A. Safety of Funds: Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital, with the objective of mitigating credit risk and interest rate risk.
 - 1. Interest Rate Risk: The Association will minimize the risk of the market value of investments in the portfolio due to changes in general interest .
- B. Liquidity of Funds: The investment portfolio shall remain sufficiently liquid to meet all planned reserve fund expenditures for the following fiscal year. To ensure that adequate reserve funds are available to pay the Association’s reserve expenditures, annual reserve fund investments shall reasonably match the planned reserve fund expenditures for the following fiscal year.
- C. Types of Investments: The reserve fund portfolio shall consist largely of Money

Market Accounts and/or Certificates of Deposit.

- D. Yield: Subject to the restrictions on the types of investments, the Association's portfolio shall earn a competitive market rate of return on available funds throughout budgetary and economic cycles. In meeting this objective, the Association, through the Board of Directors, will take into account the Association's investment risk, constraints, and cash flow needs.

2. Delegation of Authority

Responsibility for conducting investment transactions for the Association resides with the Treasurer. The President of the Board of Directors will be considered an authorized person to assist the Treasurer in performing investment management, cash management, or treasury functions. Persons authorized to transact investment business for the Association are limited to these two officers. The Treasurer will provide a copy of this investment policy to all of the Association's investment service providers. Association Members will receive a copy of this investment policy from the Treasurer upon request. The Treasurer may engage the support services of outside professionals, subject to the availability of budgeted funds and approval from the Board of Directors. The Board of Directors shall provide a copy of this policy to the newly elected Treasurer at the assumption of office.

3. Ineligible Investments and Transactions

The Association shall not invest in the following asset classes:

- A. Individual stocks;
- B. Equity mutual funds, domestic or foreign;
- C. Mutual funds consisting of bonds or mortgages and or derivatives;
- D. Options on equity, debt or commodities;
- E. Floating rate securities; and
- F. Investment in a single institution in excess of FDIC insurance limits.

4. Selection of Banks and Credit Unions as Depositories and Providers of General Banking Services

Banks, savings institutions and credit unions shall be approved by the Board of Directors to provide depository and other banking services for the Association. To be eligible for authorization, a bank and savings institution must be domiciled in the United States and be a member of the FDIC. To be eligible for authorization, a credit union must be domiciled in the United States and accounts must be insured by the National Credit Union Share Insurance Fund (NCUSIF). Banks, saving institutions and credit unions failing to meet the minimum criteria outlined in this paragraph, or, in the judgment of the Treasurer or Board of Directors, no longer offering adequate safety to the Association funds, shall be unauthorized to provide depository and other banking services for the Association.

5. Policy Revisions

The Board of Directors shall review this reserve fund investment policy periodically and may amend the policy as conditions warrant. The Treasurer may recommend amendments to this policy as necessary.

This Reserve Fund Investment Policy was adopted by the Board of Directors on the ___ day of _____, 20___, effective the ___ day of _____, 20___, and is attested to by the Secretary of American Village Subdivision I.
